Esther Barajas-Ochoa Hello I am a concerned citizen writing to you about ~ "No Significant Risk Level (NSRL) for the chemical glyphosate to be adopted into regulation in Title 27, California Code of Regulations, section 25705?

Can you not read or have you not been keeping up to DATE with this poison???? If not please let me know and I will send you lots information done by MIT to start with. Oh wait are you another one of the government officials that are in bed with monsanto and its lobbyist.....Hmmmmmm! Shame on the whole lot of you. profit over people once again. We should just change our name to "The United States of Corporation" and stop paying all of you who can not do your jobs and represent the PEOPLE and the FOUR ELEMENTS!!!!

Thank you, Sandy Cornell
